

RESPIRATOR CHECK SHEET

Use this check sheet to swap respirators with a team member every 3 months so they can check your RPE and record its condition. This will help identify any defects so they can be replaced or maintained.

Respirator belongs to:					Respirator Model:						G - Good B - Bad M - Mould / Dirty	
					Respirator Issued:							
Month	Done by / Date	Body	Headband / Straps	Seat	Inhale Valve	Exhale Valve	Cartridge	Pre-filter	Filter holder	Fit test and cartridges in due date	Comments	H&S Manager
